## P. O. Verl Meldrum Talks to Rotary Club

P.O. Verl Meldrum, recently arrived home after nearly two years in a German Prison camp was the main speaker at Rotary on Monday and gave the members some interesting sidelights on activity in the R.C.A.F. and also as to how the boys organize themselves within the P.O.W. camps.

He had worked in the camp kitchen and had fared pretty well so far as food was concerned, but they had no mattresses and their sleeping accommodations and bedding were very meager and it was very fortunate that the past winter was mild as they had no coal and very little wood in the camp the men of different nations are grouped together and organize amongst themselves with a confidence man and a camp leader. The men of confidence makes the contacts with Red Cross, and various other organizations and the camp leader cares for the discipline and order of the camp.

Until the last six or seven months, Biddy said Red Cross parcels came quite regularly but when Germany's transportation systems were shot up so badly the parcels almost entirely stopped. He and W. O. Francom Selma were together all the time they were there. His flatfay, of which he was Pilot was shot up when they were over Schweinfurt and they all had to bale out and he didn't see any of the other crew members, but he believed they all landed without accident.

He said when the Allied armies were closing in on the camp, where about ten thousand were interned the German guards gave the prisoners their rifles and asked to be taken prisoner before the British arrived.

Verl's talk was very interesting and greatly enjoyed.

"Salty O'Rourke" with Allan Ladd starts next Monday at the Capitol. If you like Allan Ladd then don't miss this feature.

Midney Smith was busy Thursday and Friday re-decorating the interior of the Sugar Bowl for its reopening the first of the week.

Telegrams were received Thursday announcing the return to Canada of Frank Anderson and Jerry Wolfe from the European war zone.

"Thunderhead" played to good audiences last week-end at the Capitol and everyone thoroughly enjoyed this outstanding picture, all done in beautiful technicolor.

### BBO REPRESENTATIVE

MICHAEL BARKWAY has been appointed BBO Representative in Canada following S. J. Lottinore's return to Britain to resume his post as director of BBC's outside broadcasts. Mr. Barkway joined the BBC in 1934, has since served as chief of the Empire news service and with the radio section of the psychological warfare division of SHADEF. Before coming to Canada, in May, he visited Canadian troops on the western front. His headquarters will be in Toronto.

### WEDDING BELLS

SHAW — LITCHFIELD

Miss Carol, daughter of Mr. and Mrs. Reed Litchfield, and Kenneth son of Mr. and Mrs. Frank Shaw of Raymond, were married in the Alberta Temple on Thursday last with Pres. Edw. J. Wood performing the ceremony. Relatives of both young people were present for the ceremony and joined in extending best wishes for happiness and success to the newweds.

They are now honeymooning in Calgary. Ken must report back to his station on July 2nd unless leave is extended.

PRICE — WITBECK

Nadine, daughter of Mr. and Mrs. M. Witbeck, Raymond, and Darwin H. son of Mr. and Mrs. E. H. Price of Picture Butte were married in the Alberta Temple Wednesday morning, with President E. J. Wood performing the ceremony. Parents of both young people were present, as well as a host of friends to join in wishes for happiness and success in their matrimonial journey.

Following the ceremony a reception was held at the S.B. Card home where 300 people called to extend best wishes to the newweds. A great variety of lovely gifts were given them and a most enjoyable afternoon and evening spent.

Monday evening in the 2nd Ward hall Nadine was honored at a shower and a great many beautiful and valuable gifts were presented.

All join with the many friends of both these young couples in extending best wishes and hearty congratulations for their happiness and success.

Miss Nova O'Brien is home on leave from her duties with the R.C.A.F. at Alford Bay, B.C.

"Thirty Seconds Over Tokyo" next week-end at the Capitol is heralded as one of the greatest shows of the past few years. Starring Fletcher Tracy and Van Johnson it promises something really outstanding. Everyone should see it.

### Lightning Kills Two Schoolboys

Edmonton, June 16—Two teen-aged boys were killed and three persons slightly injured Friday when lightning demolished part of the Muriel school in the Elk Point district, 140 miles northeast of Edmonton, Royal Canadian Mounted Police reported here today.

Dead are: Joseph O'Kane, 14; student at the Muriel school; George Holliday, 14, resident of the district. Injured: Mrs. F. D. Vanarnam, 45, and her son, recovering at her home; John Holliday, 12, brother of George, student at the school, burns and shock, in hospital; Patricia Donahue, nine, student, minor burns and shock, also in hospital.

Lightning struck the school house at the George Holliday was helping O'Kane repair a swing in the school yard. The boys were holding a croquet and a post auger at the time and the lightning stripped the clothes from their bodies.

Mrs. Vanarnam and Patricia Donahue were in the school house during the storm and were knocked unconscious when the lightning struck the east part of the building. Two other children in the school were knocked unconscious but were uninjured.

John Holliday was climbing one of the swing poles and was thrown to the ground by the jolt. The swing poles were split in two.

Condition of the injured was reported today as improved. — Leth. Herald.

## Political Outlook

With the bye election, necessitated by the resignation of the Hon. Social Credit, the winner, Jas. H. Solon E. Low, who was elected in Walker, Independent; Martin Madge the Peace River riding to the Dom Single Tax and R. B. Eshom C.C.F. in the House, interest naturally turns to the coming bye election and to what the various parties will do in the coming bye election and to the hopefulness amongst the various groups. Some think an election may be avoided, but only time will give us the definite answer to that one.

A meeting of the Constituency Association of the Social Credit group was held Wednesday when the problems were discussed but no action taken. No move has been made by the other groups as yet in our last election we had four

## Golden Wedding Anniversary

Wednesday, June 20 was a gala occasion for Mr. and Mrs. John F. Salmon. It was half a century ago that they were married in the Salt Lake Temple. A gathering of fifty relatives assembled to celebrate their Golden Wedding Anniversary with them. The family group was complete except for eight members and four of these are away in the service of our country.

A very delicious supper was served on the lawn and an excellent program was presented by several members of the family. Many interesting and amusing stories of the early days were related and younger members of the family realized how grateful they should be to their grandparents for all they have done and the wonderful foresight they had in coming to Canada and opening a way for them.

## NEWS NOTES

Austin Jones was painting the front of the Sugar City Motors on his way home according to word received on Thursday night.

Harold Stevens was up town Thursday afternoon for the first time for more than two weeks. He has been ill from kidney trouble.

Edison Milling Co. painters were at the local elevators this week repainting the elevator and office buildings.

A large number of Raymond people were in Cardston Wednesday at the Temple for the wedding of Miss Nadine Witbeck and Darwin Price.

S. B. Card and his grandson Ted are on the west coast for a holiday having gone to Vancouver to visit Harold who had a couple of days shore leave and then on to Portland, Ore.

Following a very warm day Thursday, an electric storm started about 11:30 and for an hour or more the lightning flashed and the thunder rumbled incessantly. Rain, accompanied by a high wind soaked the surface of the ground again. A few branches were twisted off trees but no serious damage is reported.

WELCOME HOME PARTY  
A fifteen met and women of the party were held in the Opera House Thursday night. A short program was given which was followed by dancing. There was a large crowd present and a most enjoyable evening was spent.

Diamond City was visited by a hail storm on Thursday last week, so much falling that two hours after the storm it still lay in piles on the north side of the buildings. The stones were small and did not cause any damage to speak of. Last week Magrath also had a hail storm over the same path as the devastating area one took two or three years ago. No appreciable damage was done.

Mr. and Mrs. Jos. N. Arbon of Bonetto, Mrs. Emily Jones of Declo, Idaho, and Mrs. Esther Davis of TTYnee, Idaho, are guests at the home of Mr. and Mrs. T. O. King for a couple of weeks. Mr. Arbon and Mesdames Jones and Davis are brother and sister of Mrs. T. O. King. Mr. and Mrs. Arbon were here five years ago for a visit with the King family.

## W. I. Conference Is Held in Raymond

### LIONS HOLD REGULAR MEETING

The Raymond Lions Club held its regular meeting in the 2nd Ward hall on Monday, June 18, with Pres. Mutt Ralph in the Chair. "O Canada" was sung, followed with prayer by Lion Rulon Dahl. Community singing was enjoyed by the members after which they moved upstairs for the remainder of the meeting.

Lion Paul Moreland entertained the Club with a few High Lights of the Convention which was held in Banff. A hearty applause was given Lion Rulon Dahl by the Club for the speech he made at the Convention, which according to all that were there really put Raymond on the map. Rulon also spoke to the members about the Convention doings.

M. C. Hanson of the local Club took 2nd prize at the Stunt Lumber show with his description of the Baseball game.

Pres. Ralph announced the Magrath Charter Night to be held on June 27 at which all Raymond members were invited to attend.

This being Pres. Ralph's last meeting in the chair he thanked all the members for their help during the past year and asked the new Pres. Karl Wilde to take over the remainder of the meeting. Karl took the chair and told the members that with their help he thought a very successful year was in sight. The meeting closed by singing the National Anthem.

### LETHBRIDGE SINGERS

#### HERE SUNDAY NIGHT

The Lethbridge eWard M.M.A. Chorus under the direction of Milton P. Strong, will be here Sunday evening, June 24th, and will present a concert in the Stake House after the Secretariat meetings in the two Raymond wards.

Everyone is invited to attend.

We are expecting that some Remington Portables will be available this fall. If you are interested and will give us your name we will try and see that you get one as soon as they are on the market. We don't need to tell you that in Portables, Remington has set the pace for many years. You can't do better.

### Women's Institute Meeting Held

The Women's Institute meeting was held June 14th, at 2:30 at the home of Mrs. Robert Webster, with 19 ladies present. Roll call was answered with a short cut in House work.

Meeting opened by singing "O Canada" and the Flag Salute was led by Mrs. Paris, and followed by Mrs. Frances Allen, War work roll call was led by Mrs. F. Hall. The Constitutionary Committee is to be held in Raymond, in the Stake House, this coming Saturday. Mrs. Clara Rolison is in charge of the lunch. Two aprons were raffled and a pennybox was brought to help with the funds.

Mrs. June Allred gave a paper on Home Economics, talking as her subject "Food after Fifty" and "War time Sugar Savers."

Mrs. Alberta Winkler then gave the report of the Conference, recently held in Edmonton. The report was very complete and interesting.

The meeting closed by singing "Our National Anthem" which was very appropriate, as it was the King's birthday.

Mrs. Webster and Miss Elith Eveson served a delicious lunch. The July meeting will be an outing at the Winkler Farm with a pot luck picnic.

At the annual conference of the Warner constituency of Alberta Women's Institutes held in Raymond on June 16 reports were given on the war work of the various branches. Attendance at the conference was 58 and all of the branches gave splendid reports on their war work.

W. I. branches collected salvage, Gifts, showers and parties were given for new war brides. Parties were given for returned men. Branches subscribed for magazines to men overseas. Prizes were given to children for salvage collected.

The following resolution passed at Warner constituency conference: whereas some of the R.C.A.F. training stations are no longer in use and whereas much of the equipment of these stations, especially the plumbing, could be used by many farm homes, therefore, be it resolved that we petition the Dominion government to consider the feasibility of allowing our rural people to purchase this equipment rather than having it scrapped or permitting it to be sent out of the country.

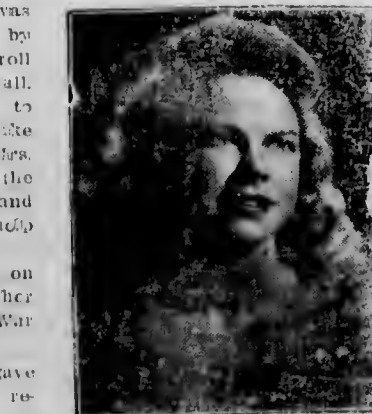

### DOMINION STAMP DAY

One of the things that is causing concern to the National War Finance Committee of Canada is the attitude which seems to be prevalent throughout the Dominion with regard to any further financing due to the termination of hostilities in Europe. The prevailing opinion seems to be that now that the war in Europe is over that no more money will be required to get Canada back to a normal basis. Nothing could be further from the truth. There is a tremendous amount of work to be done. The war in the East has yet to be won. The young men and the young women of Canada have to be brought home and rehabilitated. The manufacturing concerns which have been devoted all their time and energy in war production have to be reconverted to peace time requirements. All this requires a tremendous amount of money.

On Friday, June 29th a provincial wide Stamp Day is to be held and it is the duty of every citizen of this Province to show that they still retain their sense of responsibility by buying War Savings Stamps through their local merchants on that date.

Presidents T. Geo. Wood and Heber F. Allen were in Cardston Wednesday and attended the Temple session in the morning & a Tri-Stake Welfare meeting in the afternoon.

### SONGS FOR THE TROOPS

PATRICIA BAILEY, who made a couple of years to her name to make her CBC network debut in 1935, has since become a well-known radio performer. Now, because there are thousands of Canadian boys still on duty overseas, she is going over with a concert party to sing for them. She hopes to find one brother in a Mess in Holland and another stationed in Germany.

MOBILE X RAY BUSY

A farmer's wife from near Macleod had the distinction of being the 110,000th person to be-rayed by the Alberta Tuberculosis Association's mobile chest X-ray units, at 10:30 a.m. on May 31st.

Totals to May 31st are as follows:

Number x-rayed ..... 110,127  
Probable tuberculosis:  
Active ..... 307  
Inactive ..... 1,368  
Other abnormalities ..... 2,898

Other abnormalities include just about every condition to be found in the chest. Evidences of pleurisy, rib fractures, enlarged glands, etc. have been found, as well as heart conditions of various kinds, tumors, abscesses, silicosis, scotiosis and many other abnormal conditions.

A woman in Edmonton had her heart on the wrong side, and another in Calgary had a heart so large it covered most of the x-ray plate.

A large number of the active cases found early in the campaign have already completed their cures at the sanatorium and have returned to their homes.

The Alberta department of health operates the two units, which were bought by the A.T.A. and local Self

### NEWS NOTES

## THERE'S ENOUGH IN THE SUGAR BOWL... If we all share equally

We Canadians, together with the citizens of the United States and Great Britain, will eat less sugar during the balance of 1945.

To meet our own needs and the urgent requirements of our Allies and the liberated countries, our share of the reduction must total nearly 200,000,000 pounds of sugar during the rest of the year.

To assure fair distribution of what is left, the sugar ration is to be cut by five

pounds during the next seven months by reducing the monthly allotment to one pound in June, July, August, October and December. In September and November, the allowance will remain unchanged at two pounds.

The ten pound sugar allotment for home canning, represented by twenty extra preserves coupons, remains unchanged. Two regular preserves coupons will continue to become valid each month.

### ANSWERS TO YOUR QUESTIONS ABOUT SUGAR

Q. How does Canada get its share of world sugar supplies?

A. World stocks are pooled by the Combined Food Board of the United Nations which allots sugar to Canada, United States and Great Britain on a uniform per capita basis.

Q. Where does the rest of the world sugar supply go?

A. To other claimants, including liberated areas, European neutrals, Russia, the Middle East, New Zealand and other sugar-importing countries. Approximately one-half of this total is destined for liberated areas.

Q. Is there less sugar in the world today?

Yes. Because needs are up and production is down, world sugar stocks reached a new low at the beginning of 1945. By the end of the year, they will be down again, this time to a dangerous minimum.

Q. Why is there more demand for sugar?

A. The rising demand largely reflects the needs of liberated areas.

Q. Why is there less production?

A. World sugar output is lower for these reasons:

1. Enemy occupation of some sources such as Java and the Philippines. Java, of course, is still in Japanese hands and, although the Philippines are liberated, production is not expected to be restored until late in 1946.
2. Other export countries have experienced serious shortages of labour and fertilizer.
3. Record drought conditions and hurricanes have also cut into production in the important West Indian area.

### INDUSTRIAL AND QUOTA USERS WILL ALSO GET LESS

Effective July 1, 1945, sugar made available to industrial users, such as bakers, biscuit and breakfast cereal manufacturers, makers of soft drinks, confectionery and candy, and jam and wine manufacturers, will again be reduced.

A further cut is also being made in the allotment to quota users, such as public eating places, while similar reductions are being made by the Armed Forces in the sugar quotas for service personnel.

Mother and Johnny were looking through a photograph album and Mother was carefully pointing out "Uncle Bill" and "Aunt Susie" when Johnny found a picture he didn't recognise. "Who is this nice looking man?" he enquired. "Oh that," said Mother, "is an old picture of Daddy."

"It is?" said Johnny, "then who is that fat, bald-headed man who is living with us now?"

On the first morning after the honeymoon the husband got up early went down to the kitchen and let his wife her breakfast in bed. She was delighted.

He spoke later: "Have you noticed every detail on the tray?"

"Of course, every single thing darling."

"Good! Well, that's how I want my breakfast served every morning after this."

**Agricultural Extension**

What a field this covers! Almost everything from seed treatment and school lunches to international trade and world citizenship. Now that so many organizations are becoming involved in extension work, surely it is about time that problems of administration and operation be examined critically. The responsibility for examination rests not only with government officials, but with the farmers themselves.

Extension services have, broadly speaking, two functions. One is to "extend" knowledge through publications, radio, short courses, field days, junior clubs, etc. The other is to provide, and advertise information and services whereby individual farmers can obtain the best available advice on specific problems.

In the Prairie Provinces, we benefit from a number of extension services, among which are the Dominion Department of Agriculture, Provincial Departments of Agriculture and universities. In addition, a good many non-government concerns endeavour to serve the farmer in an educational way. These include fertilizer, grain and machine companies; feed merchants, seed merchants, and so on.

Our system, if such it can be called, has much to commend it, but it has weaknesses. We wonder how many farmers know where to take their own individual problems. They certainly have problems and technical agriculturists can often help; but there is no such thing as an expert on all problems.

We shall offer a few suggestions in the next "Seedtime and Harvest" and hope that, in the meantime, our readers do a little hard thinking.

The first day of summer found our skies clear and the sun really pouring down on us. Everyone liked it as this is what we need now to hasten the growth of crops and gardens.

**VETS LEASE SUGAR BOWL**

Mrs. Chloa Oxford and Mrs. Mary J. Curtis of Mesa Arizona were visitors here Thursday and Friday spending the time with Mrs. Zilpha Hancock to whom they are related. They were delighted with Southern Alberta and the wonderful crop prospects we have for this year.

Gen Eisenhower is back in the United States after three years as Supreme Allied Commander and has been greeted joyously and nobly in the great American cities. Speaking of the men and women in the services when he appeared before Congress and the Senate, he reminded these legislators that the fighting men were the ones who had won the war and they must not be forgotten nor neglected when they arrived back home.

The Sugar Bowl, which has been closed for a couple of months, will be open again about the beginning of the week, the local Vets organization having leased it for a year, and Alton Lyle Pregruss will be manager.

We are informed that light lunches, soft drinks, ice cream and so on will be sold, and club lunch boxes and dinners will be catered to as has been in the past. The manager went to Calgary Thursday morning to get a little first hand information respecting the operation of such a stand.

This is a part of the rehabilitation program of the local B.E.S.L. in their efforts to rehabilitate veterans coming back from service, and especially those who are suffering from any loss of arms or legs.

SPECIAL EQUIPMENT WILL PERMIT CRIPPLED VETERANS TO DRIVE CARS

By David J. Wilkie  
Associated Press Automotive Editor

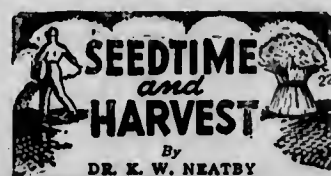

Detroit — The soldier who comes out of the war minus an arm or even two legs and an arm will be able to drive an automobile.

This is assured by the Society of Automotive Engineers after months devoted to development of special equipment in co-operation with the United States army surgeon general's staff and the American Association of Vehicle Administrators, and tests by handicapped soldiers themselves.

The soldiers will not require specially-built vehicle; he can have his old car or a new one tailored to meet his particular requirements. A few special devices easy to manipulate, attached to the steering post, the dash board or the foot pedals provide all the controls needed. The special devices do not replace conventional controls; they supplement them and do not interfere with normal operation of the vehicle by other persons.

For the veteran with both legs amputated, there are hand-operated controls for light, dimmer switch, throttle, starter button, accelerator and power brake.

Under present plans the manufacturers of various models would need to supply only the special rods and linkages to be applied to the basic controls made by one automobile parts maker. — Lethbridge Herald.

The Old, Old Story  
It was with great satisfaction that we read a statement issued by the Dominion Experimental Station, Lethbridge, to the effect that if farmers fail to control soil drifting, the necessary measures will, some day, have to be enforced. We are apt to forget that democracy entails personal responsibility as well as privilege. Too often we side-step the former and cling to the latter.

Soil drifting has been very serious in parts of Western Canada this year. It should be recognized as a prelude to catastrophe and given the widest possible publicity; but, probably because we are ashamed of it, little is spoken by radio and little written in the press.

It is annoying and costly to the farmer to have his seed blown out or seedlings cut to pieces with drifting sand. The most patient and long-suffering housewife may be bad company when floors and furniture are covered with layers of soil, and when pantries and clothes cupboards become dust bins. But these experiences are trivial in comparison with the permanent damage done to productive soils.

Government agriculturists are almost always conservative in their claims; but over and over again officials of the Dominion Department of Agriculture have declared that soil drifting can be controlled. The recent warning from Lethbridge is timely and we dare not disregard it.

### LIVE TODAY

Many a man struggles all his life to arrive and then finds there is nowhere else to go. The place he has arrived at isn't one-two-three with some of the places he has passed by. If you've got fifty cents you had better go to the circus today the elephant will never look so big nor the giraffe so tall. Live today. Sleep is the finest of indoor sports. It is really free. — The Budget.

better than fine gold and precious stones. You get it when you live one day at a time. Play square with yourself, be at least ordinarily neighborly. Laugh a bit now and then, and live so that the man who lives next door will know you for a good fellow. If you do these things you'll have emigrate few worries and you'll know what long life and happiness
